

# Specialist Steel Fabricators

Blake Group

# Company Profile

---

## WHO WE ARE AND WHAT WE DO

The Blake Group was established in 1938 in Edinburgh by James Blake. It is now a 4th generation family business with a reputation for quality and service in the steel fabrication and engineering industries.

# Steel Fabricators

## ARCHITECTURE

Architectural steel fabrication for mezzanine floors, building design, building features, steels supports etc

## STEELWORK

We work closely with some of the UK's leading Civil Engineers, Structural Engineers and Contractors to fulfill structural steel requirements.

## BALCONIES

Blake Group is renowned in steel balcony design and construction providing bespoke products to the UK's leading housebuilders for over 30 years.

## BALUSTRADES & RAILINGS

Expert steel fabricators that can fabricate all types of guardrails and balustrades from basic plantroom rails to architectural features.

## STAIRCASES

Our expert steel fabricators have fabricated all types of staircases; spiral, helical, straight single and double flights with curved and straight landings.
