ABOUT OUR COMPANY

We are a leading provider of grab, tipper, and plant hire services in the North West, serving the regions of Merseyside, the Wirral, Cheshire, and Lancashire.

Our team of experienced construction professionals operates a fleet of modern, 8-wheel, 32-tonne vehicles to deliver and remove materials to and from your construction sites.

J Napier

PLANT HIRE

As one of the most trusted names in plant hire in the North West, we are pleased to offer a comprehensive plant fleet that is available at short notice to support your construction projects. Our fleet includes a range of equipment such as mini diggers, dumpers, rollers, telehandlers, and excavators.

Tipper Hire

Our modern, 32-tonne, 8-wheeled tipper trucks are perfect for the safe and fully licensed removal of site waste for both commercial and residential purposes. They are a convenient alternative to skips and do not require a skip license.

TOP SOIL SUPPLIER

As a leading North West-based supplier of topsoil, J Napier offers a range of products to both commercial and residential customers. Our selection includes Grade and Grade B certified soils, as well as non-certified, standard (and more affordable) products.

EARTHWORKS CONTRACTING

Earthworks contractors typically use heavy equipment such as bulldozers, excavators, and graders to perform these tasks. Earthworks services are often used in the construction of roads, buildings, and other infrastructure, as well as in land development and environmental restoration projects.
