

# BLAKE GROUP

OVER 80 YEARS OF ENGINEERING EXCELLENCE

# ABOUT THE BLAKE GROUP

Blake Group is a 4th generation family business with a reputation for quality and service in the steel fabrication and engineering industries.

Blake Group was founded in 1938 by James Blake and was originally known as James Blake & Co Engineers Limited.

The background is a dark blue grid. A thick white horizontal line spans the top of the page, ending in a white semi-circle on the right. In the bottom left corner, there is a white right-angled triangle with a horizontal base and a vertical left side. A thick white horizontal line runs across the bottom of the page, starting from the left edge and ending at the right edge.

# **OUR FABRICATION SERVICES**

# STEEL FABRICATION DEPARTMENT

We have a highly experienced team of specialist steel fabricators and steelwork craftsmen.

We work with leading national companies such as Miller Group, Taylor Wimpey, and Laing Construction.

- ARCHITECTURAL STEEL
- STRUCTURAL STEEL
- STAIRCASES, BALCONIES,  
RAILINGS

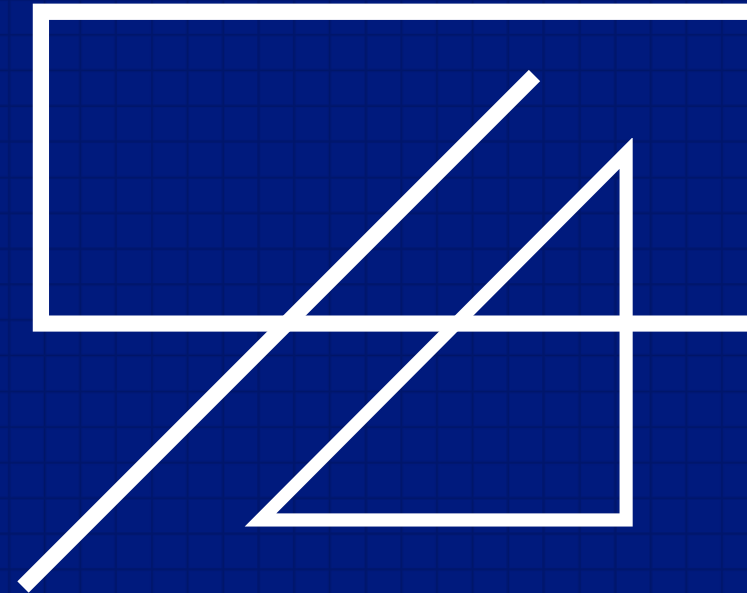

# STEEL STORAGE TANKS DEPARTMENT

We are proud to be the first UK manufacturer whose steel oil tanks are certified to OFTEC's OFS T200.

We can design and create storage tanks for the storage of all types of liquids to your specific requirements.

- OIL TANKS
- BESPOKE TANKS
- FUEL DISPENSING TANKS
- WATER TANKS

## THE METAL CENTRE

The Metal Centre caters for the metal fabrication requirements of small local businesses and the general public.

We supply steel cut to size, fabricated steel products, and general metalwork to custom requirements.
