ABOUT US

Manhattan Gastroenterology is located in Union Square and in Manhattan's Upper East Side in NYC. It offers the most advanced gastroenterology, endoscopy and colonoscopy services.

Through the integrative approach, they spend the time necessary to analyze and treat difficult digestive issues that can often be overlooked in today's fast-paced healthcare environment.

At Manhattan Gastroenterology, specialists utilize the latest technological advancements including the state-of-the-art Quintron Breath Analyzer diagnosis of lactose, fructose and small intestinal bacterial overgrowth that has been shown to demonstrate effectiveness in treatment and management of Irritable Bowel Syndrome (IBS). They also offer a minimally invasive, non-surgical laser hemorrhoid treatment called IRC or infrared coagulation that is safe and effective.

For more information about Manhattan Gastroenterology practice or to schedule an appointment, please contact our Union Square office at (212) 378-9983 or our Manhattan's Upper East Side office at (212) 427-8761.
