ABOUT US

Manhattan Primary Care is a dynamic internal medicine practice delivering high quality individualized primary care in Manhattan. Founded with the mission of redefining quality healthcare ONE patient at a time, our general practitioners in NYC and primary care physicians utilize the newest technology.

Award-winning, board certified New York general practitioners, doctors and physicians are specialists in accurate diagnosis and treatment. NYC internal medicine doctors are named New York Magazine Best Doctors, Castle Connolly Top Doctors in New York, New York Super Doctors and are consistently quoted by reputable media outlets.

At Manhattan Primary Care on Upper East Side and Union Square NYC, our internist doctors utilize the latest equipment and strive to provide highly personalized and comprehensive Primary Care Services. Our philosophy regarding the doctor-patient relationship is based on trust and has earned our New York physician one of the most respected reputations in NYC.
