ADVANCED BRAIN & SPINE CARE

Dr. David Wells-Roth, Dr. Harshpal Singh, and Dr. Aaron J. Greenberg are three of the most experienced Spine Specialists in New Jersey. They have a combined experience of over 60 years and have successfully treated thousands of patients ranging from complex spinal deformities to acute neck pain. All three surgeons have extensive training in minimally-invasive spine surgery and focus their strategy on how to get each patient back to a pain-free and active lifestyle with the least amount of recovery time.
